Description Since we needed more information (e.g. what type of GeoNames entity) we changed a few line in <code>/openatlas/openatlas/static/vendor/leaflet-1.3.4/Geonames-0.4.7/L.Control.Geonames.js</code> see https://github.com/acdh-oeaw/OpenAtlas/commit/16a3a651bb6b448fa635308c48a4f83f3fe09fd6 It would be good at some point to remove this manual changes.
