

OpenAtlas - Bug #1383

Map in tab views too big

2020-10-14 00:36 - Alexander Watzinger

Status:	Closed	Start date:	2020-10-14
Priority:	Low	Estimated time:	0.00 hour

Category:	UI		
Target version:	5.6.0		
Found in version:	5.5.1		

Description

Just a minor layout issue. The map in tab views is too big and causes a scrollbar on the right, see:
<https://demo.openatlas.eu/entity/2936>

Like already discussed this may be caused by the tab header taking additional space so ideally this is a quick fix reducing the map height about the tab header height (+ spacing).
