<b>Found in version:</b>	7.4.0		
<b>Description</b>			
If no timestamp is available, the LPF returns a string with "None" instead of null. Fixing this will be simple, but first need to evaluate if this is a breaking change or not.

- Status changed from New to Closed
- Target version set to 7.5.0

After consulting Andreas, the fix was implemented and is now in develop.  
If no date is give, the LPF will display *null* and not **"None"**
