

## Developers Meeting, 2020-05-19 15:00

Participants: Stefan Eichert, Nina Brundke, Alexander Watzinger, Bernhard Koschicek, Christoph Hoffmann, Roland Filzwieser  
Location: CRAWWS Headquarters, Vienna

### General

- Welcome Roland
- Plan contracts: THANADOS (runtime?), MAMEMS
- Manual and documentation
  - These are our contracts. Read it, use it, change it!
  - Show Sphinx
  - Subunits, API
  - [Manual](#) - watch out for merge conflicts

### Recheck menu solutions of UI

- Overview removed
- Language switch needed outside of profile

### API and Map interface

- Planning
- [API Error Handling](#)

### OpenAtlas Frontend

- Kickoff, show Wiki, GitHub (multilang), ...
- June first demo version
- September presentable prototype
- Projects: CONNEC, MoByz, Medcon
- Heavy use of API to decouple from backend
- Basic layout

### Finishing

- Schedule next API meeting

### Decisions

- OpenAtlas Frontend: use Vue.js instead Flask as framework.
